

Dear ISCI members and friends:

We are writing on behalf of ISCI, the Ice Skating Club of Indianapolis, Inc. in reference to the United Way campaign. ISCI is a dynamic organization aiming to educate children and promote figure skating to children to have a healthy lifestyle by involving them more in the sport of figure skating. The mission of ISCI is to encourage the instruction, practice, and advancement of the members in any types of figure skating, to encourage and cultivate a spirit of fraternal feeling among ice skaters and to carry out the general policies of United States Figure Skating. At the core of ISCI's mission is the education of children on the sportsmanship, team work, volunteerism and spirit of contributing to society. ISCI offers an environment to bring children together outside their school for continued learning with dedicated and creative coaches, judges and mentors. We also offer an environment that children can volunteer their time to bring the community together by offering fantastic ice shows and competitions. ISCI has made figure skating a fun way to bring a healthy lifestyle to children and community. Over 53 ISCI club members including kids as young as 3 years old to adult skaters are involved in the routine training. Our goal is to get more people involved and engaged. For the people who contributed last year, we thank you very much and appreciate your generous support. We would be most grateful if you would consider continue or start designating your United Way contribution specifically to ISCI, which will help us to enhance educational efforts and involve more children in the sport of figure skating. We would very much hope that you will consider making a donation to this worthy cause, and we welcome your participation in future events sponsored by ISCI.

ISCI is a vibrant 501(c) (3) not-for-profit organization (<http://skateisci.com/>). ISCI currently includes over 53 members that represent skaters, coaches and judges in the metropolitan Indianapolis region. We are grateful for the support of many volunteers who have been involved in the activities.
