Skater Focus: New 2014-2015 Members and Associate Members

ISCI Welcomed two new members and two associate members this year! Our new members are Marissa Cheslock and Leighton Christian. Our new associate members are Hannah Droste and Erin Geisler. Be sure to introduce yourself and read on to find out more about them!

Marissa Cheslock

Marissa is 11 years old, is a student at Creekside Middle School, and is part of a large skating family. Coach Jennie is her coach. Her two brothers, Nash and Jerod, play hockey and her younger sister Mallorey figure skates and plays hockey. Marissa hit the ice at age 4 and her favorite move is the loop jump. When Marissa is not skating, she enjoys sewing and drawing. It's great to have you as part of the club, Marissa!

Leighton Christian

Leighton is 8 years old and started skating when she was 4 years old. She attends school at Park Tudor. When she is not gracing the ice, she stays fit outside - running and playing soccer. She is coached by Coach Barb. Like Marissa, her younger sister, Sutton, also figure skates. Glad to have you join ISCI, Leighton!

Hannah Droste

Associate Member

Hannah will turn 17 on Halloween! She is a junior at Southeastern High School and her home club is Fishers Figure Skating Club. She has been skating since she was 8 years old. At that time she lived in Alabama. She loves moves in the field. Welcome Hannah!

Erin Giesler

Associate Member

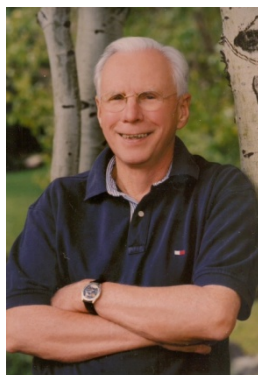

Erin is 13 years old, and she started skating at age 6. You may know her by her fun routines to ABBA music. Her favorite thing about skating is that it's unique and you can feel like you are flying. She is a student at Westlane Middle School in Washington Township and her home club is Winter Club of Indianapolis. She first skated with ISCI skaters at Showcase National in 2013 and we are glad to have her as part of our club!

Club Spirit at Tony Todd!

ISCI Legacy Happy 40th Birthday to the Zotec Partners Carmel Ice Skadium!

This month, ISCI will celebrate its 40th year at the Carmel Ice Skadium! We are grateful to Tony Todd who helped create this club for his vision!
