## What is the Club Doing? Celebrating the Success of the Ice Show – “Let’s Skate to the Movies”

ISCI put a FANTASTIC show this year. It was full of all the color, drama, excitement, and special effects that you would expect from a tribute to the movies. Our coaches, ISCI skaters, “Coffee Club” ladies, “Learn to Skate” skaters, parents and volunteers all put in numerous hours to make 90 minutes of magic.

ISCI would especially like to thank Michelle Millikan-Wilkin, Melissa Risk, and Karen MacKay for leading the efforts.

If you missed the show, know that this is an annual spring event and you can come next year. In the meantime, check out our pictures in this edition, on our website, and on our board at the rink!

## Skater Focus: Lora O’Toole

Lora is 15 years old and has been skating since 2012. She is a student at Carmel High School and has learned patience and persistence from skating. One of her significant accomplishments is that she was able to participate in a Japanese exchange student program. She loved being in Tokyo and believes it is the best place she has ever visited. When she is not on the ice she dances - ballet, modern dance, and hip hop. Welcome Lora!!!!

**Did You Know???**

Sydney Beechboard also is on her school's basketball and track team this year??? Wow!! What an athlete.

Chloe Divens plays the violin at an extraordinarily high level.

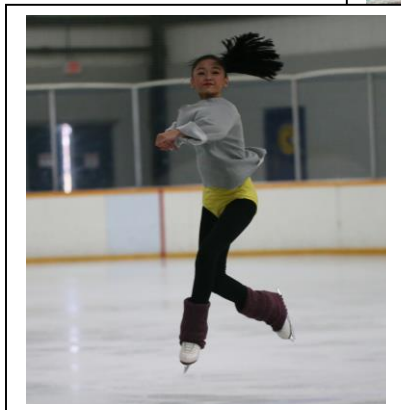

Mae Mae Han, who sang the National Anthem at the show, also performs Chinese dance.

ISCI is not lacking in talent off the ice too....
