## 2017–2018 Season

### CLUB ICE ETIQUETTE

It is extremely important that skaters and their families, as club member of ISCI, understand the importance of proper etiquette both on and off ice. As representatives of ISCI, our actions reflect upon the club as a whole. ISCI firmly believes in promoting safety, respecting each other and keeping reputation of our club. Good and ethical behavior builds club spirit, unity, cooperation and friendships within ISCI. With this in mind, the following are expectations of all ISCI members and skaters at all times:

#### On Ice:

1. Dress code: Appropriate skating attire is required at all times. No bare midriffs, blue jeans or offensive logo wear will be allowed.
2. We encourage skaters to refrain from taking cell phones or other personal equipment onto the ice. Items taken onto the ice are the responsibility of the owner and ISCI is not responsible for loss or damage.
3. Skaters should give way to coaches and lessons that are being taught on the ice.
4. Coaches should do their best to pick little-used areas of the ice for their lessons.
5. Skaters must place their CD in neat order according to the first come first serve principle and not jumping around and cut in.
6. Skaters must always be aware of whose music is being played and do their best to give right of way to that skater.
7. When a skater's music is being played, he/she must constantly be aware of the other skaters on the ice. We do ask skaters to give way during another's program, but all skaters are expected to extend common courtesies-to-each other at all times.
8. Dancers have the right of way when dance music is being played.
9. The harness is not to be used during dance music as the full rink is required for most dance patterns.
10. Excessive standing on the ice is prohibited. If you are not skating please leave the ice.

#### On or Off Ice:

1. **Respect others in ALL situations. Harassment, bullying and abuse of anyone, by anyone, will not be tolerated.** This is in line with the United States Figure Skating Policy and the new US Figure Skating SAFESPORT Program.
2. Media interviews will be held off the ice.
3. Foul or abusive language will not be tolerated.
4. Stealing, consumption of alcoholic beverages, intoxication, drug use and disorderly conduct will not be tolerated.
5. Proper etiquette calls for a spirit of cooperation among all members. Club members should step up and provide support and help as needed, for each other and for ISCI.

I have read and understand the above rules for both on and off ice procedures during ISCI sponsored skating sessions. I will abide by these rules when skating during ISCI session.
